COLLEGE ENLARGES GENERAL FACULTY

Members of the MSSD faculty were welcomed to membership in the General Faculty of Gallaudet College by Edward Merrill at a special meeting held on February 8. MSSD became part of the College with the approval of its by-laws by the College's Board of Directors in late January.

This special February meeting was called "primarily for the purpose of orienting faculty members to the evolving structure of Gallaudet College and the implications of this structure for internal participation and governance."

As a part of the meeting, Doin Hicks gave a brief presentation on the organization and programs of MSSD and presented members of the MSSD faculty.

INTERESTED IN POODLE GROOMING?

The Gallaudet Public Services Program has set up a number of adult education classes for deaf persons living in the Washington area. Some of the courses -- auto repairing, poodle grooming, tips on buying and selling a home, for example -- are still open to any interested deaf adult over age 18.

The Bisons amassed 26 points during the fall, including 13 in cross country, 12 in soccer and one in football. Although Gallaudet is currently tenth in the 14-member conference, only eight points separate the Bisons from fifth-place Roanoke.
